INDUSTRY RESOURCES

The Equipment Leasing & Finance Foundation propels the equipment finance sector—and its people—forward with its industry-specific knowledge, intelligence, and programs. We help people navigate the changes coming up to make better business and personal career decisions.

Below are some of our most popular resources:

Equipment Leasing & Finance U.S. Economic Outlook

Updated quarterly, this report highlights key trends in equipment investment and places them in the context of the broader U.S. economic climate

Vertical Market Outlook Series

This series provides individuals and organizations with forward-looking data from an equipment finance perspective. These reports focus on verticals most relevant to the equipment finance sector.

Foundation-Keybridge Equipment & Software Investment Momentum Monitor

A monthly report of indices for 12 equipment and software verticals designed to identify turning points in their respective investment cycles with a three to six-month lead time.

Monthly Confidence Index (MCI) for the Equipment Finance Industry

Designed to collect leadership data, the MCI reports a qualitative assessment of both the prevailing business conditions and expectations for the future as reported by key executives from the \$900 billion equipment finance sector

Journal of Equipment Lease Financing

The only scholarly periodical dedicated to equipment leasing and finance, the Journal is published quarterly and spotlights research, case studies, trends, and practical information through in-depth articles.

Podcast

Each episode spotlights the Foundation's resources and programs with interviews with top researchers, economists, and experts to help the betterment of the equipment leasing and finance industry.
